About me

I'm meeza a passionate UI/UX Designer, MERN Stack Developer, and Graphic Designer. My journey in design and development is fueled by a love for creating intuitive and engaging digital experiences. I specialize in crafting user-centric designs that not only captivate but also enhance usability and accessibility.

My service(mzco.)

At **mzco**. I offer design and development services that transform ideas into reality. With a strong focus on creativity, functionality, and user experience, I help businesses and individuals build visually stunning and high-performing digital products.

Work Experience :

[Freelance & Self-Initiated Projects]

- Designed and developed multiple websites and applications for personal projects and freelance clients.
- Created engaging visual content, branding materials, and motion graphics for various clients.
- Specialized in UI/UX design, enhancing user experiences through research, wireframing, and prototyping.
